

"The Carroll High School Band exists to encourage and develop a lifelong passion for music in our students and community through knowledge, skill development, participation and spectatorship."
-Mission Statement

Do you want to be part of one of the Best High School Musical Instrumental Programs in the State of Indiana?

Do you want your name associated with an organization that has a positive influence on today's youth? Did you know that each performance given by our program is viewed by up to 3,000 people in the local community?

Did you know that Scientific Data has concluded that Students who study and play Musical instruments perform better in Science and Math?

Do you want to be a part of helping prepare our youth for your company's future opportunities through enhanced work ethic and teamwork skills?

Why not sponsor the Charger Pride where your contributions directly impact our children by providing them the ability to showcase their talent, and compete with some of the best musical instrumental programs in the nation.

The Carroll High School music program is made up of the following programs:

- Charger Pride Marching Band (four time ISSMA Marching Band State Finalist)
- Drum Line / Winter Guard (Indiana High School Color Guard Association Class AA State Championship)
- Jazz Bands I, II and III
- Pep Band (recognized by IPFW Basketball team as an outstanding program)
- Concert Bands

In addition to receiving many local and state awards, Carroll High School is a five-time recipient of the Indiana State School Music Association Award. This award is given for a high level of excellence in marching, jazz, concert and solo/ensemble programs.

The Latest Scientific Data has concluded that Students who study and play musical instruments perform better in science and math. In addition, the hours upon hours of practice and dedication that is a necessary part of this program builds a work ethic in our kids that is simply not available in many other venues at this stage of their lives.

The Carroll Charger Pride is proud to participate in the State of Indiana. Indiana is home to several of the top Bands in the Nation. Of the top ten bands in the country, three were from the Indianapolis area including the Grand National Champion, Avon High. The Charger Pride participates not only on the local and state levels but with consistently nationally recognized talent.

The Charger Pride Musical Instrument Program has been Class A for only three years and is developing its program to compete at the highest level. However, Success does not come

without cost. To remain competitive against the top bands in the nation our program relies on the financial help from our community leaders like you.

Your contributions help us to provide the Instrumental Program the following:

- New Uniforms
- Middle School Recruitment and Development Program
- Funding for Music Score and Program development
- New specialized instruments
- Funding for an assistant Band Director (*Carroll High School is the only Class A large high school in Indiana with only one funded Band Director*)
- Funding for consultants that help develop our programs.

... And the best part is the Carroll High School Instrumental Music Program, Inc. is a 501(c)3 not-for-profit corporation and that all donations are tax deductible.

We ask that you please consider this worthy cause.

How can you become a Sponsor?

Simply by contacting Mark P. Hovis, Carroll Band Boosters Vice-President at 446-1273, or e-mail mark.hovis@carrollbands.org where we will discuss any options and our obligations to you.
